## 2-14. Parking Lots, Bicycle Sheds and Transportation around JAIST

### (1) Car Drivers

#### ① Restriction of entry

According to the JAIST traffic regulations, cars are not allowed to enter or park on JAIST campus without "Permit for Parking". Cars parking without the permit are subject to penalties. If you need to park your car on campus temporarily, please contact the Environment Conservation Section, Facility Management Department.

#### ② Parking Areas

Car users need to sign a contract to use one of the paid parking lots within JAIST, namely, the On-Campus Parking Lot which is run by JAIST and the Municipal JAIST Parking Lot which is run by Nomi City. Since automated gateways will be used to control access to the parking lots, drivers need a pass to use these parking areas.

#### How to apply:

A car user needs to sign a contract that can be renewed annually. Further, during the application, you will be required to select a parking lot. Please be aware that the contract for access is not interchangeable, i.e., one contract can only be used to access one parking lot. In addition, you cannot change the parking lot where it is allowed to access by the contract in the middle of an academic year. If you need to use another parking lot, you have to sign another contract separately.

Please refer to the following website for more information.

<https://www.jaist.ac.jp/shisetsu/parking/tolle.html>

#### Parking Fee:

You will be required to pay a parking rent fee(contractured every year) and a pass card issue fee as follows:

"On-Campus Parking Lot"

- The usage fee from the application date to the end of the academic year (March 31) is a flat rate of 7,000 yen.
- In this case, you cannot make a contract monthly.

"JAIST Parking Lot" ➡ 10,450 yen/ a year, 1,045 yen/a month

"A Pass card issue fee" ➡ 1,000 yen

(Notes)

If there is a change in the information (e.g. Vehicle number) which you applied with, please inform the Facility Management Department.

#### Areas of Parking Lots:

Users are allowed to park only at the designated areas.

- On-Campus Parking Lot: Faculty/Researchers/Students
- Municipal JAIST Parking Lot:

## 2-16. Garbage Collection

In Japan, garbage is separated into combustible, non-combustible and recyclable items. Garbage collection days and hours depend on the area you live in. Regarding the garbage sorting in Nomi City, please refer to Appendix 5 (P.82) at the end of this handbook. In Nomi city, you have to use designated disposal bags when you separate and put out garbage. If you do not use the designated bags, your garbage will not be collected. You can buy the designated disposal bags at the Store in JAIST, or some other stores in Nomi city.

The garbage pickup points (*gomi station*) next to the JAIST Parking Lot (1st Area) and in front of the Student Housing bldg. 7 are only for residents in Student Housings. If you live in apartments, please take your garbage to the designated pickup point (*gomi station*) in the district.

## 2-17. Tutorial Service (for International Students only)

Tutoring service is available for the international students within the 6 months of arrival in Japan. Tutors will help you start a life at JAIST with less difficulties. They also support you in study and research as well as in daily life.

Please contact the International Student Section for further information.

## 2-18. Student Discount and Commuter Pass

### (1) Student Discount ( Student Traveling Discount Certificates)

A fare reduction system is available for the degree-seeking students. Students who wish to travel more than 101 kilometers on a JR train are eligible for this discount (20% off the regular fare). Non-degree seeking students are not eligible. Other than JR, student discounts are applicable to some private railways, highway buses and ferries. For details, please ask the transportation companies. Students must take their student ID card with them when they apply for and use the discount. To obtain a student discount certificate, please use the automated certificate issue machine during 5:00 a.m. to 11:55 p.m. The machine stops operating during the Golden Week and the new-year holidays.

Please make sure that you can identify the description and the JAIST official seal on the certificate when you get it from the machine. A certificate with the illegible typescripts may not be valid. Please bring an illegible certificate to the Student Welfare Section, Student Affairs Department.

The student certificate is valid for three months from the date of issuance.

Some cultural and amusement facilities might give a discount if you show your Student ID card.

### < NOTES >

Student Traveling Discount Certificates (hereinafter "the Certificate") are provided for the purpose of reducing academic expenses and contributing to the development of education and they are not supposed to be used freely as individuals' rights.

The Certificate are not transferable. Present your student ID card to station staff when you buy a ticket with the Certificate and have your student ID card with you when using the ticket and present it at the staff's request.

In case another person uses your certificate, both you and the person who got a ticket with your certificate may be punished for forgery of documents and fraud or as the conspirators (imprisonment of up to ten years) in addition to a lot of additional imposition.

Furthermore, you will have the Certificate suspended by the disclosure of misuse of your student ID card, which may trigger our suspension of issue of the Certificate for all the students. Namely, it will cause other students so much trouble.

Please read the terms and conditions printed on the reverse side of the Certificate before using it, and NEVER use another person's Certificate or expired ones.

### (2) Commuter Pass

You can use a commuter pass if you take the JR trains or the buses operated by Hokuriku Railroad. Commuter passes allow you to use the bus/train between the two stations or bus stops indicated on the pass without paying actually for each trip. To purchase a JR commuter pass, you will need a certificate of commutation (通学証明書). The certificate can be applied for at the Student Welfare Section, Student Affairs Department.

## 2-19. Private Housing, Comprehensive Renter's Insurance (International Students only)

International students normally look for private housing through real estate agencies. A tenant has to pay from six to eight times the monthly rent for primary charges, fire insurance, etc. at the time of contract. JAIST co-signs the lease contract for International students under specified circumstances. For more detailed information, contact the [International Student Section](#).

## 2-20. Emergency Procedures

Please read "Emergency Contact Procedure" thoroughly to deal with emergency situations such as crimes and accidents and make sure to report to Student Affairs Department or JAIST "Disaster Prevention Center" if happens. ## 2-21. Lost and Found Item

### (1) Personally identified belongings

The Student Welfare Section or the General Service Section will contact the owner. The owner should come to the section immediately to receive the belongings. Please bring the ID, e.g. student ID and residence card to identify yourself.

If the owner did not come receive the belongings in spite of notice, after three months, the items will be turned in to a nearby police station (Nomi Police Station).

### (2) Unclaimed Items

The Student Welfare Section or the General Service Section keep the items for three months. After three months, any unclaimed items will be turned in to a nearby police station (Nomi Police Station).

## 2-22. Other Precautions in Student Life

### (1) Outdoor Amusement

JAIST is located in a nature environment such as sea and mountains which gives you many opportunities to be in close contact with. However, outdoor amusement always carries risk of a rapidly swollen river by a sudden local rainfall, sudden changes in the weather in mountains, hidden dangers of the sea and so on. For outdoor amusement, please get advice from someone who is familiar with natures of sea and mountains in this area and be prepared for the risk. Especially, the coast of the western side of Noto Peninsula is the open sea and very strong offshore currents may sweep you away off coast. Do not swim at the No Swimming Allowed area.

### (2) Alcohol Drinking

There will be many opportunities to drink alcohol inside and outside of campus at the welcome party and so on. Excessive and binge drinking could lead you not only to the acute alcoholic poisoning but also to incidents or troubles. It is prohibited behavior to force someone to drink alcohol since it could cause a threat of life. It is strictly prohibited to drive under the influence of alcohol. Do not drink and drive.

### (3) SNS(Social Networking Service)

SNS(Social Networking Service) is the service which allows to be browsed by the general public. You might be socially accused depending on the contents you post. Do not post careless contents on it.

### (4) Cult Groups

We have been reported that some acts of persuading students to join a religious group (a Cult) are seen around campus. It is very important to refuse strongly and flatly. If you receive any approaches by a Cult group or strangers, please report it to the Student Welfare Section, Student Affairs Department

(5) Wire Fraud Cases

Not a few phone calls from who claim to be your family members or public agencies in Japan try to defraud you of money and individual information. Please suspect a wire fraud case when getting a suspicious call or email, and do not rush into action alone but consult a police about it.

(6) Customer Troubles

One of customer troubles which mostly happens among the young is the illegal charge through spam emails and introducing and selling commodity of investment teaching DVD. If you suffer from this, you can exercise cooling-off system to fix a trouble. For your information, cooling-off system does not include mail-order services. Be aware of this point when using mail-order services.

For detailed information, please contact Consultation counter consumer life counselor's office, Nomi city

(7) Others

- **Notices from JAIST are posted on the bulletin board outside of the Student Affairs Department or e-mail, you are responsible for monitoring your JAIST email address on a regular basis**
- Your primary JAIST e-mail address("s" Student Number@jaist.ac.jp) can be changed. If you change it, it will remain but be aware that email messages sent to this address from outside of the JAIST campus will be rejected. Please be careful when telling your e-mail to those outside campus.
- Students who enrolled through the JAIST internal admission must renew the email address. Please update the network account immediately after enrollment.
- Turn off or set your mobile phones on manner mode during lectures.
- Please keep the campus clean.
- Do not drink hot water of faucet because it does not satisfy drinking standards.

**Note ; Personal Details**

All students are required to submit the "Personal Details". If you have not submitted it, please submit it immediately to the Student Welfare Section by email.

If there is a change in the address you have provided, please submit a "Change of Address Form" to the Student Welfare Section. The form can be downloaded from the website.

〈JAIST TOP PAGE → Student Life → Daily Student Life → Resident Registration → Change of Address Form〉

If you changed any information other than your address, please notify the Student Welfare Section (gakusei@ml.jaist.ac.jp) by email.

**Precautions of the Security when out of the country**

When you travel outside Japan, it is important to obtain the latest information from media, the nearby embassy and consulate general of your country. Please assess the security situation and terrorists' condition of the country of your destination and keep yourself vigilant accurately.

Students are required to submit the "Notice of Temporary Leave" to the Student Affairs Department when you leave Japan. The format can be downloaded from the website:

〈JAIST TOP PAGE → Student life → Daily Student life → Notice of Temporary Leave〉

If you are an international student, please refer to "Chapter 4, 4-3. Temporary Leave, Re-entry and Permanent Leave".

**Prevention of Infections**

Infection is caused by infestation and multiplication of virus or bacterium. It may be droplet contact, vector-borne transmission, etc., causing you to suffer from fever, diarrhea, and cough. Once infections are developed in communal life on campus, they could spread and cause extensive group infections. If you have a case of infection or suspected of being infected, please contact the Healthcare Center or a local hospital.

Also, when you travel outside Japan, please aware of the regional infections, collect information and get a vaccination if necessary. Get the latest information and keep it updated while you travel.

〈Cases of Infection〉

COVID-19, Influenza, Tuberculosis, Measles, Rubella, Mumps, Chicken pox,  
Pharyngoconjunctival fever, Epidemic keratoconjunctivitis, Meningococcal meningitis

**Managing Your Valuables and Belongings**

Be vigilant at all time and be aware of your surroundings.

Pay close attention to your belongings (especially cash and valuables) and prevent them from being lost or stolen.

Especially do not leave your seat, leaving your valuables in your laboratory.

For theft prevention, please carry your valuables with you all the time.
