- All the application documents are important to enable the Selection Committee to screen applicants in a fair and accurate manner, and applications omitting any one of the required documents will not be accepted.
- Applicants may be requested to submit additional documents.
- JAIST cannot respond to any inquiries regarding receipt of individual application documents. Applicants are responsible for tracking all materials. JAIST strongly encourages sending the documents by registered mail, courier, or a similar service that provides tracking numbers and receipt verification services.
- Submitted documents will not be returned under any circumstances. JAIST will not provide photocopies of submitted documents. Please keep a copy of all documents for personal reference. If the applicant needs to keep the original copy, please submit a certified copy instead.
- If it is discovered that an applicant has made false statements or has neglected matters to be stated on application documents, the admission may be revoked even after enrollment.

Notification of the Results

In March 2022, JAIST will announce its selection of candidates to be recommended for the MEXT Scholarship. Please note that a recommendation by JAIST does not mean that the applicant will be accepted by MEXT as a scholarship recipient. If MEXT rejects the recommendation, JAIST cannot offer admission. If the applicant would like to enroll in JAIST without MEXT Scholarship, he/she must separately apply as a privately-funded student.

The official announcement of MEXT Scholarship recipients will be made in July 2022 (TBD) via email.

Scholarship Conditions

I. Scholarship will be cancelled or suspended in the following cases, and the recipient may be ordered to return stipend payments already received:

1. The recipient is determined to have made a false statement on his/her application.
2. The recipient violates any article of his/her pledge to the Minister of Education, Culture, Sports, Science and Technology.
3. The recipient violates Japan's laws and regulations and is sentenced to imprisonment of more than one year.
4. The recipient is subjected to disciplinary action taken by JAIST, such as suspension or removal from register.

5. It has been determined that it will be impossible for the recipient to complete the master's/doctoral program within the standard time period because of poor academic grades, suspension or temporary absence from JAIST.
6. The recipient does not acquire a status of residence of "Student" when entering Japan or his/her status of residence in Japan has changed to one other than "Student" as defined in the Immigration Control and Refugee Recognition Act.
7. The recipient has received a scholarship other than MEXT Scholarship from another institution (excluding those specified for research expenditures).
8. The recipient enters doctoral program through internal entrance exam without receiving approval for an extension of the period of MEXT Scholarship.
9. The recipient withdraws from JAIST or transfers to another university.

II. Research Activities outside of JAIST

MEXT scholarship students who enrolled in JAIST are generally NOT allowed to be supervised outside of JAIST for long time because this scholarship is intended for international students who wish to enroll in JAIST and do graduate research in JAIST. The recipients cannot receive scholarship during the period in other institutions.

III. Permission for Part-time Work

MEXT scholarship students are guaranteed to be provided with sufficient financial resources, allowing students to focus on their academic studies without having to worry about financial problems. Therefore, it is neither recommended nor consistent with the spirit of the program for MEXT scholarship students to obtain a "Permission to Engage in an Activity Other Than That Permitted by the Status of Residence Previously Granted" (Permission for part-time work) with the intention of saving money through part-time work. Please note the following if you want to receive any allowances by working.

JAIST does not allow MEXT scholarship students to have a part-time work in principle, but activities which fall under any of the followings, will be considered that MEXT scholarship students can apply for the permission for part-time work. It is expected that MEXT scholarship students do these works by volunteer as much as possible.

- 1) If asked to work as a cultural collaborating assistant by a public organization (a regional public organization or an incorporated foundation)
- 2) If asked to work as a legal interpreter by a courthouse
- 3) If participating in a particular internship that is useful for education and research
- 4) If allowed by the Head of the Student Affairs Department that the activity other than above contribute to study and research

In cases where students are directly engaged in assisting education or research at JAIST, such as a TA, RA, LA, Researcher, or Tutor etc., a permission for part-time work is not required.

Other Important Information

1. Recipients' personal information may be used for international students support programs and promotion activities by the Japanese Government. MEXT shall ask for the recipients' approval by written pledge at the time of adoption.
2. Recipients should be willing to participate in community events held in Japan to promote mutual understanding. After returning to their home country, scholarship recipients shall maintain close contact with JAIST, cooperate with the conducting of post-return survey questionnaires, participate in events conducted by local Japanese government offices, and endeavor to improve relations between their home country and Japan.
